School Supplies Needed by HaCoBACare

Many children need help in gathering their required school supplies for this year. HaCoBACare will be providing many children with these supplies. Please help us respond to the children. School is right around the corner.

Specific supplies requested:

- *wide ruled notebook paper
- *3-ring binders (small - 1 inch)
- *colored pencils (12 pack)
- *erasers (pencil top and others)
- *markers (10 count)
- *two-pocket folders

These supplies may be carried to HaCoBACare Ministry Center Tuesday - Friday mornings from 9:30 until noon or brought to the Baptist Building Monday - Thursday from 8:30 am until 4:30 pm, and Friday until noon.

For your convenience, be sure to call before coming to the Baptist Building to assure someone's being there. With fewer staff, there are times when duties take us away from the building. Thank you for your patient understanding.
