Mi Escuela

Goal - 120 Children

The key to the future for every child in Guatemala is education, but most children in Coatepeque never get a chance at the future every child deserves. The Guatemala Partnership Committees, here at First Presbyterian Belmont and at Buenas Nuevas, are undertaking a Scholarship Program we call “Mi Escuela” (“My School” in Spanish) for the education of approximately 120 children in the Coatepeque community.

With a donation of \$100, just a fraction of the cost of a week of summer camp here in North Carolina, you can send a Guatemalan child to school for an entire year. Your donation will provide for a child’s tuition, books, uniform, shoes, and lunch, making it possible for a child to receive a basic education their family could not otherwise afford.

To sponsor a child, simply complete the form on the back and return it to the church office or any member of the Guatemala Partnership Committee. With your help, our congregations can improve the prospects for the children of the Coatepeque area. Please give your prayerful consideration to the support of *Mi Escuela*.
