

We're Collecting Campbell's Soups *Labels for Education*™!

We earn great stuff for our school like playground equipment, books and learning materials, sports equipment, etc.

See just how easy it is to make a difference!

#1 - Purchase any of the many eligible products from the Campbell's family of brands. Click [HERE](#) to see a list of eligible products.

#2 - Cut out the UPC code only (the striped bar coding on the label) or collect the caps only on the V8 juice products.

#3 - Put them together in a baggie or envelope.

#4 - Drop them off in the school office, and our Auxiliary representative will pick them up and add them to our collection to send in.

It really is an easy way to help St. John's kids, while using the same products you buy every week at the store.

Thanks so much for helping!
