Dear Parents,

Ready or not, it is time to register for the 2009-2010 school year. We hope that you will choose St. John's Lutheran Preschool for your early childhood education. The purpose of this letter is to inform you of our open enrolment. We also want to share with you a few exciting additions to our preschool program.

Open Enrollment for all families begins Thursday, February 19th, 2009 at 7:00 a.m. Completed applications and the \$25 non-refundable application fee will be accepted at this time. Applications will be prioritized and numbered based upon the School Board Approved Priority of Admissions. We will continue to take applications through Friday March 5, 2009 during our normal business hours of 8:30 a.m. – 4:30 p.m. Applications left at the front desk or mailed to the preschool will be counted at the end of the business day in which the application is received.

At the end of the Open Enrollment period we will begin admitting students based on the Priority of Admissions established by the School Board. For your convenience, we have provided a copy of the Priority of Admissions on the reverse of this letter. A waiting list will be established when the maximum enrollment in each class is reached.

St. John's Lutheran Preschool offers both Pre-Kindergarten and Three-Year-Old preschool programs. We offer a variety of Pre-Kindergarten options including five half-days, five full-days, or a combination thereof. For our three-year-olds, we will continue to offer two part-time morning classes, Tuesday and Thursday mornings or Monday, Wednesday and Friday mornings. Our afternoon Monday, Wednesday, Friday part-time afternoon class will also be offered. ***One exciting change to the Three-Year-Old program will be a limited number of full-time, all-day, spots for three-year-olds. We will also offer a limited number of five, half-day, morning spots for three-year-olds.*** We are anticipating that many of these programs will fill during the first days of registration, so be sure to act quickly.

As a reminder, all children attending St. John's Preschool must be fully potty trained.

The final change we would like to make you aware of is a change to the school calendar. Beginning with the 2009-2010 school year, the preschool will begin their school year and end their school year on the same dates as St. John's Elementary and Middle schools. This change will add two weeks to the overall program.

If you have any questions please do not hesitate to contact the preschool office at (714) 288-4409 or visit us on the web at www.stjohnsorange.org and then click on the school link. This will lead you to the preschool page.
