Awakening & 737

Awakening

At Awakening we just finished studying the book of James and what it looks like to live our faith out everyday. Starting in June, we will begin to study the book of Jonah and what it means to go out into our community and share the good news of Jesus Christ, even when we feel like the challenge is to great.

You, your friends, and entire family are welcome to join us every Sunday evening at 6:30pm in the Auditorium for a time of youth led praise and inspiring messages.

737

In John 7:37 it says, "On the last day of the feast, the great day, Jesus stood up and cried out, 'If anyone thirsts, let him come to me and drink.'" 737 is a time of fellowship after Awakening . We encourage you to check out this time of friends and faith after each Awakening service.

Another Kind of Light

There are so many kinds of lights in the world but Christ has called us to be a different kind of light. This bible study will kick off this summer for youth who want to be leaders in their Confirmation small groups next year. Through out the summer, the youth who will start their 8th grade year in September, will meet at 5pm in the Common Grounds. We will learn what it means to be a disciple and shine a different kind of light. After the Bible study we will go to Awakening and 737 for worship and fellowship!

Please contact Pastor Will if you are interested or have any questions.

Car Wash Fundraiser
