

Farm Fresh Organic Produce

With the current emphasis on nutrition and exercise for our children, what better way to promote a healthy lifestyle than by receiving a crate of **ORGANIC** produce weekly at school?

The produce (mostly vegetables, some fruit) is organically grown with no synthetic pesticides or synthetic fertilizers. The perfect way to say I LOVE YOU to your family!.

Your order supports a local farm, St. John's Auxiliary, and St. John's Food Pantry. The cost is \$125 for five weeks of deliveries (\$25/week), in one payment.

Deliveries for this shipment are:

Please make your check for \$125.00 payable to **St. John's Auxiliary** by December 16. Indicate "Tanaka Farms" on the memo line.
