If you have not already sent your Eternal Circle Report (January 1, 2009 – December 31, 2009), please do so no later than March 31st in order for information to be printed in Spring Gathering program!

Have you sent your History Report to Sue Baker and Together in Mission Report to Margaret Knapp? Both these PW would appreciate your reports – they work hard to compile your reports so synod and churchwide committees will know how involved Transylvania PW are. They need every church's participation to have an accurate report! Thanks.
