

COMMITTEE ON PREPARATION FOR MINISTRY
Report to Transylvania Presbytery
March 9, 2010

The Committee on Preparation for Ministry reports the following action to the Presbytery:

Inquirer Monica Tillie has worked with the committee for two years in a process of discernment regarding her sense of call and has concluded, with the concurrence of the committee, that at this time God is not calling her to ministry of Word and sacrament. Monica has requested that her period of inquiry cease and that her name be removed from the list of Inquirers. The committee voted to concur with Monica's request after meeting with her on February 18, 2010. The committee expressed its gratitude for Monica's service to the presbytery and prayed for God's continuing presence with her and her family as she continues to seek God's calling in her life.

Respectfully submitted,

Thomas K. Farmer, ch.
