Burnamwood Blessings!

Thanks to everyone who took part in the Burnamwood Survey through the Presbyterian Research Associates. Your responses will help determine the future direction of Burnamwood's ministry and outreach. We hope to share a preliminary report at the June Presbytery Meeting.

Three NEW spring programs – and three great success stories! Thanks to Interim Director Lee Boyd and a wonderful team of volunteers for developing and leading these great events:

First Presbyterian Church in Cynthiana is funding and constructing a new "small group" pavilion in memory of Burnamwood camper and church member Sallie McKemie, who passed away tragically earlier this year. We celebrate Sallie's life and give thanks to our church family in Cynthiana for this beautiful and fitting memorial.

Burnamwood Sunday 2006 – Equipping the Saints

Thank you to all the congregations who have invited us to speak in worship, Sunday School and evening programs as part of the Burnamwood Sunday emphasis. Burnamwood Sunday offers a wonderful opportunity for your congregation to support the ministry of Burnamwood through a special offering. Bulletin inserts can be downloaded from our website. Your gift to Burnamwood today will help us equip the saints of tomorrow.

Come home to Burnamwood this summer! Experience new life at YOUR camp!
