

**Presbytery of Transylvania
Supplemental Report from Board of Trustees
June 10, 2006**

The Trustees of Presbytery received a request from the session and congregation of the Booneville Presbyterian church to sell the manse and manse property. The old manse, supposedly built in the late 1800's, no longer seems feasible to rent.

Recommendation to Presbytery: the Trustees recommend that the sale of the manse be approved for an amount not less than its appraised fair market value, with the proceeds to be held by the congregation for use in the physical improvement and maintenance of the church's real property.
