Here's what's been happening since the last Presbytery meeting:

- We had 4 great Spring Retreats
- We had a great Spring Break on-site Mission Trip
- We had over 10 rentals
- We renovated Burnam Lodge
- We are in the process of renovating Unit Lodge, the New Bathhouse, and the Director's House.
- We visited at least 10 churches
- We mailed out Summer reminder flyers

Here's what's coming up:

- Summer Camps are in full swing
- Lots of churches have their summer or fall retreats coming up
- We have more church visits to make
- We have lots of non-Presbyterian rentals on the schedule
- Once our current renovations are done, we'll turn our attention to the Dining Hall
- Our Fall Fundraising Campaign will begin soon!

Here's what makes us nervous in 2009:

- Fundraising! Fundraising! Fundraising! Is it time for a Burnamwood Sunday at your church?
- Dwindling numbers of youth in some of our churches. Let us come help with youth group ideas and programs.

Here's something new for 2010:

- The Burnamwood Camp and Conference Center Committee has approved a new program: **BAM** (Burnamwood Appalachian Ministry). We are reaching beyond the boundaries of the camp and heading into the community. Beginning in 2010, we will be housing work groups from across the country in the Director's House. They will spend the week working in the surrounding counties. Does your youth group need a mission trip for next summer?
