

**Board of Trustees
Report to Presbytery
June 9, 2007**

Information:

At the December 2, 2006 presbytery meeting, the Trustees of Presbytery were charged with the following items relating to the dissolution of the Camp Nelson Presbyterian Church:

- That the report of the Camp Nelson Dissolution Commission be received and transmitted to the Board of Trustees of the Presbytery.
- That all matters relating to the disposition of property are referred to the Trustees.
- That the Presbytery affirms that the Trustees have the authority to take all actions relating to property of the Camp Nelson Presbyterian Church which the Trustees believe to be legal and appropriate.
- That the Trustees are directed to take no final action for 60 days so as to allow the session of the Nicholasville Presbyterian Church additional time to present such information as it desires to the Trustees for their consideration.

The original deed stipulates that should the church cease worship services and Sunday school the property shall revert back to the Scott heirs. There have been no worship services or Sunday school since August of 2005. The direct heirs of Hugh L. Scott and Corilla G. Scott are Hugh L. Scott and A.C. Scott.

The Trustees and/or members of met on several occasions with session members of the Nicholasville Church and Mr. Hugh L. Scott, both as a group and individually. After much review and discussion the Trustees voted on May 14, 2007, that a quitclaim deed for the Camp Nelson property be executed back to the heirs of the property, Hugh L. Scott and A.C. Scott.

Recommendations for Action:

1. The Trustees received a request from the Chapel Hill Presbyterian Church to market and sell a portion of their property known as 3470 Tates Creek Road. This is an unimproved townhouse lot adjacent to the primary tract. They wish to apply the proceeds of the sale to the existing mortgage indebtedness. Documentation received from the church was reviewed. ***The Trustees recommend approving the sale of this property and that the proceeds from the sale be applied to the current Chapel Hill mortgage.***
