

Living Waters for the World
 Clean Water U Scholarship Application
 Presbytery of Transylvania

Social Witness and Mission Committee

Granting of the scholarship is contingent upon your successful registration for a Clean Water U course *and* endorsement by your church's Session. This application is for one of four scholarships, a fifth if funds become available, that are to be offered in 2008. If your application is approved, payment for up to one half the tuition will be authorized.

Payment will be made directly to Clean Water U.

Upon completion of your Clean Water U course and other Living Waters for the World activities, the Social Witness and Mission Committee strongly encourages you to share your experiences with your church.
