

NEED HELP WITH STEWARDSHIP?

At the March 9 Presbytery Meeting
Transylvania Presbytery
will offer a special program to give your own
Stewardship efforts a boost!

The General Council has adopted a plan to offer direct help to our churches and their programs.

Starting at the March 9th meeting at Beaumont Church in Lexington, we will have a different theme at each meeting to assist our congregations in their ministries. On March 9, the Rev. Karl Travis, from Ft. Worth, TX, will lead us in a presentation and workshop on Stewardship. His presentation will be from 11:30 AM till 1 PM.

In addition to your regular commissioners, we invite you to bring your Stewardship Committee for all or just part of the meeting. We will all learn how to better interpret the church's mission and how to help our members grow in their spiritual commitment.
