Highland Presbyterian Church is a small, devout, congregation located in the mountains of Eastern Kentucky. It is situated in a rural area composing the communities of Canada and Sidney, Kentucky. Our ministry consists first of all to proclaiming the Gospel of Jesus Christ, and sharing his gifts with the congregation, and the community. Our congregation has been and continues to be active in projects which benefit the area. Our local volunteer fire department was started from this church. Each year we organize and manage a communitywide litter pickup in April and October. We run a rummage store five days a week, staffed by members of the church. We also support a local nursing home at Christmas with gifts to all of the patients. This year we also gave the nursing home residents a Nintendo Wii game set. During the recent flooding we were active in relief by helping several families in the community as well as five families in the church financially.
