The Resource Center is available online by going to: www.transypby.org
Once you are there click on Resource Center and then on the picture of the kids at the computer.

The software allows you to type in a phrase or subject and then will search for titles relating to your key phrases. Once you have made your selection, an email will be sent to our office and your request will be honored.

We can send your resources by mail or you can come by the office to pick them up. We're happy to mail them and hope that you take advantage of all the resource center has to offer. If you are looking for something we do not have, please let us know as it may be something we get for you.
