

Holy Infant Catholic Church Inclement Weather Operations Policy

1. **Weekdays** - The parish conforms to Durham Public Schools pronouncements:
 - *Delayed opening* of schools affects parish office hours and cancels morning liturgy.
 - *Early closing* affects parish office hours and cancels all scheduled parish activities (including evening liturgies) for the remainder of the day and evening.
 - *Closing* of schools cancels all scheduled parish activities and liturgies for the entire day and evening.
2. **Weekend activities (other than liturgies)** – Check WRAL-TV, [www. wral.com](http://www.wral.com), or FOX 50. The closing option will be identified as *Severe Weather Plan*.
3. **Saturday Vigil / Sunday Liturgies** – Regular weekend liturgies will not be cancelled for inclement weather unless announced directly by the diocese. As a parishioner, always consider circumstances which may affect your personal safety with respect to your attendance at liturgies.
4. A **Special Announcements telephone line** is maintained at the Parish Center at **544-7135, extension 33**, which provides further information. Please call for details.
