## Bible Challenge

Find someone you admire in the Bible.

What part of the Bible is the person from?  
Tell a little about the person.

### Wednesday, Sept. 17 — St. Bellarmine

Bellarmino was made a cardinal by Pope Clement VIII on the grounds that "he had not his equal for learning." While he occupied apartments in the Vatican, Bellarmine relaxed none of his former austerities. He limited his household expenses to what was barely essential, eating only the food available to the poor. He was known to have ransomed a soldier who had deserted from the army and he used the hangings of his rooms to clothe poor people, remarking, "The walls won't catch cold."

Among many activities, he became theologian to Pope Clement VIII, preparing two catechisms which have had great influence in the Church.
