

# JustFAITH

## **You are invited to an intensive program for people interested in learning how to live a more compassionate life in today's world.**

JustFaith offers an opportunity for parishioners to experience an engaging spiritual journey into compassion. Most of us long to be a generous and compassionate people. And HI-life this past year with its “Walking in Their Shoes” Catholic Social Justice theme has inspired us to question “What should I do next? JustFaith provides a lively and challenging format to read, discuss, pray, experience and be more deeply formed by our justice tradition that, when lived out, changes lives, inspires faithful witness, and transforms the world through love and service. This program is now offered in hundreds of parishes across the country.

Our Catholic faith and biblical tradition extend an extraordinary invitation to each of us and to our faith communities to become agents of God’s compassion and healing in a wounded world. The Good News of Christ is both a comfort and a promise for the poor and, at the same time, a call to those of us who are not poor to be linked with God’s vision of justice and reconciliation.

*“I expected to become more informed and aware, but the power of meaningful discussion, spiritual exercise, and practical experience within a small, caring community motivated me beyond all my expectations.”*

*Joanie Novak -- JustFaith Graduate*

JustFaith involves a substantial commitment. The process involves thirty weekly sessions, two retreats, and four immersion experiences. In addition, participants are expected to do one to two hours of reading each week. The program asks a lot, just like the Gospel. In addition, participants have the privilege of developing community as they journey through this program. Participants should come ready for the possibility of change.

**Holy Infant partners with St.Thomas More and the Newman Catholic Student Center to sponsor JustFaith, so meetings may be held at any of these three parishes.\***

Each group is limited to the first 15 registrants.  
The cost, which includes 12-13 books, is approximately \$150.
