

## About Camp Hope

Camp Hope is located in the beautiful hills of northwestern Connecticut, on scenic Bantam Lake in Litchfield. Each summer, our youth have the opportunity to participate in an awesome week-long Christian camping experience.

- ❖ **NEW COMMUNITY** is for kids going into grades 6-8
- ❖ **NEXT GENERATION** is for those entering grades 9-12

**New Community & Next Generation** programs have been offered in Connecticut since 1996. The deans and counselors are trained and experienced, and come primarily from the First Church of Christ in Wethersfield and the First Congregational Church of Thomaston. Camp deans Vicki Huffman and Rev. Peter Smith are full-time staff members of those churches. Co-deans are Jon Beaty and Diane Krause.
