November 2008

Fall weather is here, and what a nice break from the heat of summer. We all enjoyed the day and the weather at our annual Fall Fest. I want to say thank you to Bonnie Brown, and her fund-raising team for a successful Fall Fest event.

November has some important dates to remember;

1. Picture Day for Christmas portraits will be Wednesday, November 19th and Thursday, November 20th, starting at 9 AM, youngest to oldest.
2. Tuesday, November 25th, our wonderful cook, Pat, will be cooking a Thanksgiving feast for the whole school.
3. Wednesday, November 26th, there will not be any VPK classes, only wrap care for the VPK wrap students.
4. Wednesday, November 26th, we'll have our Thanksgiving Pow-Wow parties in each classroom. Watch for parent sign-up sheets.
5. We will be closed Thursday and Friday, November 27th and 28th ... *Happy Thanksgiving!*

Important Date ... Thursday, December 11th is our Christmas program. This is a new date, so please check your calendars; because you will not want to miss this event! All of our children will be in this program. This will definitely kick-off our Christmas season here at Cor Meth. Music will be under the direction of Becky Rutland-Brown. Miss Becky meets with the children every Thursday, and each class has a CD to practice daily. Bring your cameras and your relatives for an unforgettable hour. Refreshments will follow.

REMINDER: The children's personal mailboxes outside of their classrooms are for parent/teacher information. These boxes are not to be used for personal communication. Please see the Director before placing anything (note or item) in the children's personal mailboxes.

You will find our "Parent Table" located in the hallway near the kitchen. On the parent table, you will find the following information pertaining to; Gymnastics, Yoga, Computers, Dance, Lunch Menu, Handbooks & Flyers, Monthly Themes, Coupons, Bed-in Bag, Cor Meth Cookbook, Playground Wish List, and Health Care. Take a look and see what's available!

Respectfully,

Donna Shawl, Director
