## May Newsletter

Volume 3, Issue 11

May 2009

Our school year is coming to an end, and we will have 34 students graduating this year on Tuesday, June 2, 2009 at 6:30 PM. Keep this date open and invite your family and friends to come.

As our school year ends, Summer Camps start for our older children. We are in need of the following supplies; paper towel holders, toilet paper holders, empty one-liter soda bottles, fake plants/trees, small potting containers, newspapers, fishing lures, an old tarp, dinosaur toys, a blow-up dolphin, rain forest animals and greenery. Thanks in advance for providing any of these items, or allowing us to borrow them.

I would like to say a special thank you to all the families who donated money and time toward our playground. Also, I want to thank the families that installed the grass on our playground; Beemans, Kraljics, and Desimones. Great job! The children are really enjoying that grass. Stop by and take a look!

Exciting News! We are now accepting infants, six months to one year. This room will open this month. If you know anyone that might be interested in this program, please send them our way.

If you are interested in becoming a pre school teacher, substitute or a volunteer in the classroom, please call the school @ 427-3561. I would like to talk to you about these positions.

Respectfully, Donna Shawl

### Dates to Remembers

May 5th - Cap and Gown Pictures

May 6th - Cap and Gown Pictures
