Remember that both the class and the Diocese of Raleigh Application for Volunteers must be completed before you will be able to be involved as a parent volunteer at St. Thomas More School. You may mail the Application to the school office before you take the class to begin the process. An application and class must be taken by both parents if they wish to both participate in school volunteer activities. This procedure needs to be completed every 5 years so if you had the class 5 or more years ago, you will need to take it again to qualify to volunteer.

Thank you.
