

St. Thomas More Catholic School

Computer Lab Contract 2008-2009

- ✎ Students are to come to class prepared by bringing the appropriate materials (workbook in the green pocket folder, pencil, homework if assigned, and any reference materials needed).
- ✎ Students are to show respect and take good care of all computer equipment and materials.
- ✎ Students are expected to be courteous to classmates, teachers, and visitors.
- ✎ Students are to show respect for their classmates' work and will not alter another student's computer work.
- ✎ Students must abide by the Acceptable Use Policy in order to access the Internet at school. Students are not to collect personal e-mail at school or surf web sites that are not teacher directed.
- ✎ No snacks, gum, or drinks are allowed in the lab.

MOST IMPORTANTLY, STUDENTS SHOULD BRING WITH THEM TO CLASS...AN OPEN MIND!

ALWAYS LOG OFF BEFORE LEAVING THE LAB.

REMEMBER; NEVER HESITATE TO ASK QUESTIONS IF YOU DO NOT UNDERSTAND AN ASSIGNMENT.

THE COMPUTER LAB IS A SETTING WHERE LEARNING TAKES PLACE THROUGH TEACHER DIRECTED LESSONS. STUDENTS ALSO LEARN FROM EACH OTHER AND THIS COOPERATIVE LEARNING STYLE IS ENCOURAGED. THIS COLLABORATIVE LEARNING ENVIRONMENT WILL ENABLE STUDENTS TO BECOME COMFORTABLE AND PROFICIENT AT THE USE OF COMPUTERS.

Please sign and date the consent notice.

Thank you.

Michael Thom, Technology Teacher
