

St. Thomas More Catholic School
Web Site Consent Form

August 2008

Dear STM Parents/Guardians,

This is a parental agreement letter that will be kept on file by your child's homeroom teacher. There may be times throughout the year in which your child's photo may be taken individually or with a group and used on our school web site. We would like your permission in writing before publishing photos of students on the STM website. As a reminder, no last names will be used in connection with the photographs. You can view our web site at <http://school.st-thomasmore.org/> .

Please sign and date the consent notice.

Thank you.
