

St. Thomas More School

It is expected that all families attending St. Thomas More School comply with all guidelines and school requirements set forth by the administration.

It is also expected that all families show mutual respect towards the administration, staff and all other St. Thomas More School families.

The Principal and Pastor, after consultation with the superintendent, reserve the right to dismiss a family if the above guidelines and school requirements, coupled with respect, do not prevail.

I have read the 2008-2009 Parent Handbook for St. Thomas More Catholic School and agree to uphold all the policies as described therein.
