

3-Year-Old Pre School at the Catholic Community of St. Thomas More

St. Thomas More Parish Center Nursery

A new pre-school program under the direction of St. Thomas More Catholic School will begin next school year. This 3-Year-Old classroom will be a holistic, developmental program in partnership with families to provide a Christ-centered environment of social play, exploration and learning. Our current St. Thomas More Pre-Kindergarten staff will be an integral part of the planning and development of this new offering.

Children who will be three years old on or before August 31, 2012 are eligible for enrollment at the office of St. Thomas More Catholic School.

Registrations will be accepted from January 3rd through the end of February. Call Jane Kyle at 942-6242 for application questions and materials.
