For Women's Desk California:

- We pray for a good response at the April Women's Meeting in California by the name of „Women Aware“, and that the women would be able to embrace this new form of meeting which will be offered

them.

- We pray for our sister Linda Clark who will be teaching the leaders of Women's Desk California on how to be successful in transferring one's knowledge about needs related to ministering to other women.

We keep praying:

- for the blessing of fellowship and God's closeness at the conference which is due to be held in Bačuga on April 19th

We give thanks:

- that God is using the sisters in **S.Brod** (photo of the city on the left), which is a crucial element for the life of this church, as well as for the missionary and evangelistic outreaches to the city, helping them to be a light in their families (to their

husbands, children and relatives)

- For 2 young persons who joined the church in **Virovitica**
- That God is giving health to the sisters in church in **Požega** (most of the sisters are elderly) as well as their mutual love which enables them to pray for one another (for widows, for those who are due for surgery...)

- That God is starting to move in sisters in **Pakrac** (on photo) and reveal their ministries to them, which help them to serve in various ways in their church (working with children and the young, with creative workshops, visiting the sick, praying...).

- for sisters in **Pakrac** who attend their meetings over coffee regularly, and for sisters who witness to their friends that attended the creative workshops

We keep giving thanks:

- for a good response at the Women's Breakfast in Zagreb in that many women came; and for the blessing and success that followed in spite of many obstacles.
