Participate in a ***Cross-cultural Sensitivity*** training event to prepare to minister God's love and Word to His people in your neighborhood, city, and beyond. This event is designed to help prepare you to experience various cultural elements of ministering to people from groups different than your own.

Today, you don't have to leave your city to encounter people of cultures from around the world. We truly live in a global society; the world has come to us. California is a diverse place. Experience the world, prepare to better serve His people and bring His message to them in your own backyard or across the globe.
