# FasTrak Leadership Training Comes To GGBTS!

Being a leader today involves being able to empower others to believe in themselves and in what they are doing. Part of developing leaders is providing them with resources to enable them to deliver their greatest level of skill. WMU/WM is proud to present an up-to-date training program that will

equip, train, and mobilize you for leadership!

FasTrak is a fast-paced, highly interactive track built on practical, real-world techniques, motivational strategies and creative solutions that can be used for phenomenal results at home, in your neighborhood, in the workplace, or in the church.

If you attend these seminars and apply their powerful principals, tools, and strategies, you will become a more dynamic, effective leader!

Your Servant,

*Diane Varady*
