

ONE-DAY POVERTY SIMULATION CONFERENCE

EL MONTE, CA

RAISING AWARENESS, SPURRING ACTION

HELPING PEOPLE, CHANGING LIVES

This may be a simulation but...

POVERTY IS REAL

Saturday, September 13, 2008

10am – 3pm

At the heart of every person is the desire to thrive. This event will open your mind and heart to truly understand the dynamics of working with those experiencing poverty. How can we engage our churches in ministry to serve those in need and be the hands and feet of Jesus according to Matthew 25:34-45?

What kind of impact does the Poverty Simulation have on participants?

Past participants say it's a real eye opener to participate in a simulation. Quotes from participants include:

- For me it was a wonderful eye-opener. A part of life.
- For me to go through this, it really made me aware. I just can't imagine getting up in the morning, getting out of bed and going through that struggle again.
- It helped increase my awareness to the emotional toll that it takes...many, many people who seek out these services are embarrassed, frustrated.

Registration: \$35.00 per person by Aug 1, \$45.00 after Aug 1

Registration includes the simulation experience, materials, lunch and debriefing. Great learning experience for any church or ministry group desiring to serve those in need in their community with more sensitivity and compassion.
