

### Sharing through the Cooperative Program

In 2007 California Southern Baptist churches boldly gave \$7,782,294 for world mission causes. Thank you for giving! Your gifts were used to help carry the message of Jesus to every man, woman, boy and girl in California and around the world. Doing so is our mandate!

No single church can go into the whole world on its own. But when 42,000 churches (including 2,020+ California congregations) cooperatively pool our mission dollars, so much is possible! There are more than 10,000 missionaries around the world, across North America and in California who serve knowing that your Cooperative Program gifts make their ministries possible.

As your congregation works to share Jesus with the unchurched in your community, continue to make world mission causes through the Cooperative Program a priority. Please remember to pray for our worldwide mission efforts. Find ways to be on mission with God throughout the world, sharing Jesus as you go. And give your tithes and offerings, enabling the ministries of your church, association, California Southern Baptist Convention and SBC mission agencies to reach the world for Jesus.

Thank you for your prayers. Thank you for being on mission and sharing your faith. And thank you for making Great Commission ministries possible through the Cooperative Program.
