

Women's Desk Croatia – November 2007 Prayer Letter
„Come and see what God has done, how awesome his works on man's behalf!“ Psalm 66,5

We pray:

For elections at the Women's Desk

- for the new Board elections to be held on 10th of 2007. in Zagreb
- that there would be a good response from churches and from sisters who were nominated
- that the new members of the Women's Desk Board would be able to cooperate in unity and to build up one another, as well as their churches and the women in churches across the country
- that God's name would be glorified through the way women in Baptist Churches in Croatia minister inside and outside the church walls

For the Social Fund

- that the Fund would grow into a true Baptist ministry of mercy to those in need
- that women and men, as well as the young and the children in our churches would be encouraged to minister to people with different kinds of social needs and from different walks of life

For our sisters in the world - Africa

- let us join our sisters in Baptist churches all over the world on the Day of Prayer on 11.05.2007 as they pray for the needs in Africa
 - ✠ Pray for African widows and fatherless children. Many of them have been victims of war.
 - ✠ Many African Baptist women are being called to take up very influential positions in local government bodies. Pray for them as they serve there as God's ambassadors.

We give thanks:

For the ministry of Women's Desk in the past years

- for the Board which has been leading the work for the past 4 years who have worked on turning what seemed as mission impossible into a life of mission

- for the sisters on the Board who have been faithful in service, as well as for believers

in churches who have been there to help them

- for all the mission endeavours which have been inspired by this ministry
- for the new HEART FOR THE MISSION 2008 calendar featuring testimonies of God's work in Croatia and the surrounding areas.

For God's work in Africa:

- we give thanks for Baptist Christians in all African sub-regions and for their fervor

We also pray for

The work of Women's Desk in California:

- that sisters who have taken up various ministries related to leading WD in California would receive wisdom and be strengthened.
- WD in California are organizing a big conference on ministry to women for the entire Western part of USA. The conference will be held in March, but the preparations have already started as it is a really comprehensive project.
