„Come and see what God has done, how awesome his works on man's behalf!“ Psalm 66,5

## We pray:

### For regions of Osiječko-Baranjska and Vukovarsko-Srijemska

(regions in the very east of Croatia surrounding Vukovar and Osijek)

- **Osijek**

(on photo: women's group in Osijek)

- That God would raise up a sister who will be willing to lead women's meetings and who will be supported by other sisters

- That the regular sisters'

meetings would not stop, and that the women would understand the importance of women's work and the possibilities that this ministry opens in serving God

- **Piškorevci**

- That God would give the little church in Piškorevci a new courage for everyday life with Christ, and that His work in Piškorevci would not cease, but that the believers would allow God to work through them

- **Andrijaševci** (on photo: child dedication in Andrijaševci)

- that God would help young mums as they raise their children, and that He would grant the necessary strength and health to the elder sisters, who suffer from their many maladies

- that God would lead the ministry of the sister who has temporarily taken up working with children, and that He would

provide a more lasting solution for this work

- that God would grant sisters a good idea for quality fellowship which would help reach the friends of younger sisters in the church

- that the many unemployed sisters would find work and in this way fight poverty and neediness in their families

- **Cerna** (on photo: women's group in Cerna)

- That sisters would find a way to have regular women's meetings, even though many of the sisters are old and weak, and for them coming to meetings is a challenge

- That God would bring unity, spiritual growth, new members, and new contacts to the church

- That the sisters would be able to have a regional sisters' conference in Cerna as they wish to do

### We also pray for the sisters in Čakovec, who sent us their prayer requests:

- That God would comfort the sister who became a widow overnight

- That the sisters (and brothers) whose spouses are not believers would be able to live exemplary Christian lives

- That the sisters would not abandon their women's meetings

### For Women's Desk California:

- We keep praying for a good response from sisters to the conference about ministering to women, which will be held in March and will encompass the entire western part of the USA.

### We give thanks:

- \* **OSIJEK** - for the opportunity to have occasional women's meetings (the Day of Prayer, various regional conferences, etc...)

- \* **PIŠKOREVCI** - for sisters and brothers, who are devoted to God and are seeking to live for His glory

- \* **ANDRIJAŠEVCI** - for the progress that the children are making in studying, worship ministry, and the knowledge they are receiving (on photo)

- \* **CERNA** - for a friend who began visiting the church in Cerna recently as well as for her family; and also for the backyard building which is being built and for all activities which the

building will be used for, including women's meetings.
