

# Women's Desk Croatia - June 2008 Newsletter

„Come and see what God has done, how awesome his works on man's behalf!“ Psalm 66:5

**We pray: for Međimurska county and its churches.**

Churches and places we are praying for are marked on the map: at the very top is Mursko Središće; lower down the yellow line are Mačkovec and Čakovec, and on the right from Mačkovec is a small town called Belica; and if you follow the thick yellow line all the way down you will see Pušćine.

Međimurje (No.20 on map of Croatia) is the northernmost area in Croatia, its boundaries are rivers Mura and Drava, as even name of the county means "bordered by Mura".

### **For Women's Desk California**

Please pray for California women as they invest their time and energy this summer to share Christ with others wherever He sends them; as they lead conferences, work with children, teach english, and prayer walk

- Summer is also a time when churches hold Vacation Bible Schools. Most of the VBS are held in the evening so working women can help with the teaching. It is

probably the greatest outreach effort a church does all year long. Please pray that all the workers will make good preparations and that the children's hearts will be touched with the Good News of Jesus Christ.

### **We give thanks:**

- for brothers and sisters who have been serving the church in Čakovec with their gifts.

- For the opportunity perform the play „Judgement of God“ in the Pastoral Center in

Čakovec (on photo); for all those who have taken part in preparing the play, and especially for all those in the audience who have been touched by its clear message

- for sisters and churches in Belica and Mačkovec
- for all that God is doing in Držimurec (ministering to the Gypsies, teaching them how to read and write and evangelizing them)
- for the regular prayer meetings in Pušćine and for ministries/projects that the sisters from Pušćine are involved with (the "Judgement of God" play)
- for the friends who attend worship services in M.Središće regularly
