Varaždin (on photo: the Stari grad fortress)

- that God would lead and help develop women's work in this church, helping them to a blessing for the entire church

Ivanec

- that God would renew the members of this small church through His grace, especially those who do not attend worship services regularly

- that the believers of this church who have children would know how to raise their children in a Godly manner and eventually lead them to Him

Koprivnica (on photo: women's group attending a Bible study)

- that God would give wisdom and patience to the ladies in the church as they lead their homes; that they would be wise in the way they spend their money, and that they would glorify God in everything they do
- that the women would allow God to shape them into women according to God's heart like in Proverbs 31:10-31

Peteranec (women's group at a Christmas meeting)

- that God would give them strength and wisdom as they proclaim the Lord to the people they meet and spend time with
- that God would bless and protect them as they continue to organize occasional events for the people in their town (creative workshops for women)
