## 2007/2008 Curriculum for Children

**Hands-On Bible®** curriculum for Toddlers & 2s (age 2 & 3) and for Pre-K & K (age 4 & 5) presents Bible truths in a fresh, interactive setting that capitalizes on young children's need to experience life with all their senses. Toddlers and 2s will meet and interact with the God who made the world they're so interested in exploring. Pre-K & K, who are just starting to understand simple concepts, will discover Bible lessons in creative, active ways that will capture their attention and keep them coming back for more.

**LIVE B.I.G.®** is designed to help children ages 3-13 learn about the love of God through Jesus so they can live their "Belief in God". Using a DVD component that engage children with Christian role models and a deeper understanding of Jesus and the impact he can have on their lives. Through these resources teachers and children will come to know and love God and Jesus so that they can answer the question, "How can I live B.I.G.?"

*Children's Church for 2nd Grade and younger will reconvene in Room 9 after the Children's Moment in Worship. Toddlers will be in Room 2.*
