

DIRECTIONS FOR MAKING A PRAYER SHAWL

Supplies-

3 skeins of Lion Brand Homespun yarn
(available at JoAnn's and Michaels)

Knitting needles: size 11 if you knit loosely or 13 if you tend to knit tight. I use needles that are on a cable but it is personal preference

A 12" ruler, scissors and crochet hook to add the fringe

Cast on 57 stitches

Knit 3, purl 3 across each row until 2 skeins are knitted.

Measure off and roll up enough yarn from the third skein to make the fringe. Each fringe is cut 12", there are 57 stitches and 2 ends to the shawl.

Therefore: $57 \times 12 \times 2 = 1368$
 $1368/36 = 38$ yards to roll off and reserve

Continue knitting and purling as before until the yarn is used up.

Add fringe.
