Right Now Media for YOU! (Christian Netflix for free)

We have an amazing gift for you as members of Trinity Presbyterian called Right Now media. This website will give you access to thousands of Bible studies from authors like John Ortberg, Tim Keller, Philip Yancey, Francis Chan, and Jen Hatmaker. There are also great studies and videos on parenting, marriage, finance, and more. Along with these are hundreds of Christian videos for kids and youth (ie. Veggie Tales, What's in the Bible, and more). There are even studies for college students and young adults. Libraries of studies are organized by topic. We know this will be a huge blessing to your faith and discipleship.
