Come, review the book, *Letters From a Skeptic*, as we look at these and other questions raised by the skeptical father of pastor seminary professor, Dr. Gregory Boyd. DISCOVERY 201**ROOM 103****Sundays, October 29- November 19, 11:00 a.m.**

This four-week membership class begins with a summary of Discovery 101 - the basics of what we believe at FBCG. Then, if you are able to clearly describe your personal relationship with Christ and want to explore the possibilities of church membership, continue on with Discovery 201! How does a Christ-follower continue the path of spiritual growth? What are my "spiritual gifts?" Where is the best place for me to serve at FBCG? Pastor Kevin, along with Tim Williams, will lead this interactive study to prepare you to apply for church membership

FOCUS ON ADULT SUNDAY SCHOOL

Most of us want to become more than we already are - to grow in our understanding about life, our relationships with other people, and our relationship with God.

As life becomes increasingly more complex, we realize our need for ongoing education and the continual updating of our skills and resources.

Adult Sunday School provides the opportunity for all adults to increase their knowledge of the Bible and to discover the “how to’s” of applying God’s principles to the daily challenges in life.

If you are just beginning to open and explore the Bible or if you have a Bible with well worn pages from years of use, there is a place for you.

As you look at the brief class descriptions, know that regardless of the age categories listed you are encouraged to visit the class of your choice that fits your morning schedule. All of the classes seek to build solid relationships based on the common experience of knowing Jesus Christ.

The apostle Paul’s letter to the Colossians expresses clearly the goal for every adult in our congregation:

“Just as you received Christ Jesus as Lord, continue to live in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness.”

Colossians 2:6-7

Fellowship and Support - Adult Sunday School classes provide a social and support network that cannot be built by simply attending worship services. Large group and small group activities are planned to provide multiple opportunities to build friendships. It is this dynamic that makes Adult Sunday School “**A Place to Believe, Belong, and Become.**”
