What does a Fox Valley family do when they:

Need food for their table?

Can't pay their bills?

Are facing eviction?

Can't pay for prescriptions, car repairs, or other essential needs?

Need to find a counselor?

Looking for community resources?

What is Compassion in Action?

The Compassion in Action ministry is the hands of the church reaching out to assist with essential needs of the church family and the community.

This ministry provides resources such as:

Food pantry

Funds for crisis situations

Financial coaching

Emotional support

Spiritual guidance

Ways to connect to community resources

Our goal is to equip an individual or family through a time of temporary hardship. We attempt to develop a personal, ongoing relationship with the individual because of our desire to help them avoid repeating the events that led to their crisis situation.

You can help us.

Your unique talents and resources are needed. You can make a difference in someone's life for the Lord.

God knows and provides for our needs. Sometimes He does that by providing a friend. Working together, we can be that friend.

Our ministry team will match your talents and resources to someone in need.

Here are just some ideas of how you may help:
