

How to become involved in Leadership at FBCG?

FBCG Mission

Our mission is to honor God by making disciples for Jesus Christ. We seek to accomplish this mission by being:

A Place to Believe, Belong and Become

Discover, develop and use our spiritual gift(s)

We believe each believer is gifted by God to serve in ministry. In the membership class you will learn about spiritual gifts and how to uncover your unique God-given gift(s). We also identify where these gifts can best be utilized in the development of lay leadership skills.

Serve in Ministry

Perhaps the best way to develop leadership gifts is to put them to use in an ongoing ministry. Choose from the many ministry opportunities at FBCG and become part of the team!

Become a member of FBCG

Membership involves attending the membership class, which is offered quarterly, and requires baptism by immersion. While any believer can serve in most of our ministries, only members may serve on church boards or vote in congregational meetings.

Church Government

First Baptist Church of Geneva is organized around a congregational form of government. While the church submits to the authority of Christ, the final human authority resides in the voting membership.

The annual meeting for membership is conducted in August for the purpose of reviewing and approving goals and budgets. Special meetings may be called by the Executive Council at any time by notifying the congregation thirty days in advance.

The voting membership delegates most day-to-day leadership responsibilities to the Executive Council, Boards and Ministry Staff.
