

## How to become involved in Leadership at FBCG?

### Learn about the history, structure and mission of FBCG

Brochures covering these topics are available at the Welcome Desk or the church office.

### Discover, develop and use our spiritual gift(s)

We believe each believer is gifted by God to serve in Ministry. In the Discovery Class you will learn about spiritual gifts and how to uncover your unique God-given gift(s). We also identify where these gifts can best be utilized in the development of lay leadership skills.

### Serve in Ministry

Perhaps the best way to develop leadership gifts is to put them to use in an ongoing ministry. Choose from the many ministry opportunities at FBCG and become part of the team!

### Become a member of FBCG

Membership involves attending the Discovery class, which is offered quarterly, and requires baptism by immersion. While any believer can serve in most of our ministries, only members may serve on church boards or vote in congregational meetings.

## Administrative Staff

### East Campus

#### Main Office:

Linda Sabatke	Administrative Asst.
Lori Haring	Administrative Asst.

**A Place to Believe, Belong  
and Become**

## Church Government

First Baptist Church of Geneva is organized around a congregational form of government. While the church submits to the authority of Christ, the final human authority resides in the voting membership.

The annual meeting for membership is conducted in August for the purpose of reviewing and approving goals and budgets. Special meetings may be called by the Executive Council at any time by notifying the congregation thirty days in advance.

The voting membership delegates most day-to-day leadership responsibilities to the Executive Council, Boards and Ministry Staff.

## Board Structure

Boards are comprised of church members who have been nominated by the Personnel Board, Pastor and elected by the congregation.

### Executive Council

Functions as executive leadership of the church. Comprised of Church Chairman, Chair-elect, Senior Pastor, Board Chairs and members-at-large.

### Spiritual Life Board

Oversees corporate worship, spiritual growth and care-giving.

### Business Board

Maintains physical and financial resources of FBCG.

### Christian Education Board

Oversees educational ministries of the church.

### Missions Outreach Board

Oversees and develops missions and outreach opportunities.

### Personnel Board

Manages spiritual resources of FBCG; facilitates linkage of individuals with area of service.
