

Spiritual Challenge for week of 9-21-09
“Reality TV; Driven by Entertainment, driven to Eternity”

Read Ecclesiastes 2:1-3 & 3:10-14

Why do you think that we are so driven to search for meaning and significance in pleasure and entertainment?

What do you think eventually causes someone to move beyond the pursuit of pleasure and look elsewhere for meaning in life?

How has the pursuit of pleasure & entertainment impacted your life?

Challenge: This week, make the effort to “unplug” from your TV and Computer each evening (including your i-phone or Blackberry) and read, go for a walk or just have a conversation with your family or friends. Thank God for all of the good gifts He gives and ask Him to help you remember that He alone is your source of joy and purpose!
