

“How lovely is your dwelling place, O Lord of hosts! Psalm 84:1. Imagine a synod assembly adorned with a multitude of beautiful handmade quilts transforming the spaces at Texas Lutheran University. What could be a more appropriate way to show our support for our Costa Rican sister synod!

Whether your quilt is made with raw edges or perfect points, an heirloom pattern or a spiritual sign from above, we welcome all of your creative efforts. Let your scraps speak to you with color and pattern.

There are directions online for every technique imaginable. See our Synod's web site www.swtsynod.org for specific instructions for making your quilt.

Be creative! Be bold!

The Quilt maker's Gift (New York: Scholastic Press. 2001) is a great book to read for inspiration. “Go and do likewise.” *Luke 10:37*.

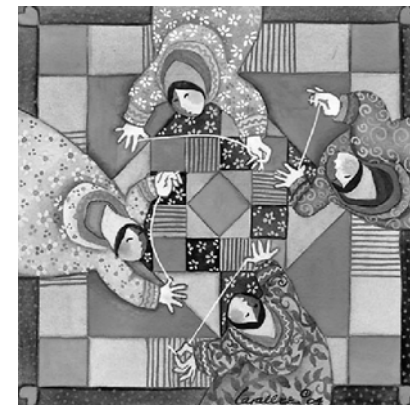

Send your finished quilt labeled with your church name and city to the assembly along with your voting members. If there is interest in purchasing quilts there will be a silent auction and bids will be taken. The money collected and unsold quilts will go directly to the ministries in Costa Rica.
