

## **One Year to Live Men's Retreat in October Register Early for the One Year to Live Retreat October 26-28 at Camp Chrysalis**

The ELCA's Lutheran Men in Mission sponsors *One Year to Live Retreats* for men all across the nation. We are fortunate this year to have a retreat at Camp Chrysalis (between Bandera and Kerrville, TX) on October 26-28, 2018. These retreats provide men with an opportunity to spend time away together and to come closer in their walk with Christ. They have been described as life-changing weekends; recognizing, embracing, and living confidently through God's grace. About 15 to 25 participants attend each retreat. Early (discounted) registration is \$195 by Saturday, September 15. Regular registration is \$225, due October 8. There are sponsorships for men between 20 and 30 years of age. These sponsorships will pay up to 90% of the registration fee. The registration includes two nights lodging, five meals, and retreat materials.

Prayerfully consider being one of the men to take advantage of this spiritual awakening. You can find a brochure and more information at [www.lutheranmeninmission.org](http://www.lutheranmeninmission.org).
