

WEB PAGE GENERAL PUBLISHING POLICY

The following policy was approved by Synod Council at its meeting on February 8, 2003:

The Southwestern Texas Synod Web page is a median under the direction of the Synod Assembly, Synod Council and its Commission for Communications to provide information to its member congregations and individual members of the Evangelical Lutheran Church in America, as well as others interested in obtaining information about synod activities, missions, programs and other matters.

The Southwestern Texas Synod Web page shall publish solely information, statements, policies, positions and other related matters of the Synod, Synod Bishop, Synod Assembly, Synod Council and Executive Committee; ELCA Presiding Bishop, Churchwide Assembly, Church Council Executive Committee and Conference of Bishops, and recognized agencies with which the synod and/or ELCA have an official affiliation.

The Southwestern Texas Synod Web page does not publish announcements from Synod individual congregations or non-synod congregations because it is a synod Web page. Web pages of individual congregations are for such purposes. The Synod Web page provides a listing of Web page addresses for synod congregations
