

# **Christ Church Detroit Services Survey**

**LET'S HIRE OUR OWN - WE HAVE SO MUCH TALENT RIGHT HERE!**

To assist us in helping one another, the Economic Support Task Force is putting together a database of parishioners who offer professional services, job skills and other capabilities that may be of interest and use to others. The idea is to call fellow Christ Church people first and, whenever possible, give the job to one of us. That could take the form of a staff position at a company or fixing up around home or contract work or whatever arrangement you want to make. From carpentry to landscaping and lawyering to writing copy and everything in between, we have great expertise among us.

We need to know who you are, what you can do, and how to be in touch. Be imaginative – child care, cleaning, coaching, management and organization, painting, repairs, teaching and training, yard work – whatever you do, somebody else needs exactly that! Please complete this brief survey and return it to the church office, to the attention of Chuck Atwater. Questions? Call Chuck at 248-252-3622. Or complete the questions below in the body of an email and e-mail it to [charles.atwater@sbcglobal.net](mailto:charles.atwater@sbcglobal.net).

Once we get information pulled together, we'll publish the list for all to use. Thanks much and peace!
