

## **VESTRY HIGHLIGHTS**

### **23 APRIL 2009**

The meeting opened with remarks by the Rector.

The Treasurer's Report showed that we are on target in both expense and revenue columns.

Seth Lloyd, Susan Diehl and Theresa Zajac have interviewed the chairs and organizers of parish committees and ministry groups and will report at the Vestry retreat.

Seth Lloyd brought us up to date on the globes for the chancel and sanctuary lighting. Installation is delayed due to a manufacturing defect. There is nothing new to report on the north courtyard upgrade. Seth promised to look into the clean up and upgrade of the Woodbridge parking lot fence line per the request of the neighboring law firm.

We identified five topics for discussion at the upcoming Vestry Retreat. They are: 1) Mission and vision of CCD. 2) Budget deficit planning for 2010. 3) Committees and ministries of the parish. 4) Every member canvass and parish stewardship. 5) Sharing and getting to know one another exercise.

The Vestry was reminded that May 10 is Charles Hughes last Sunday.
