Comments from Moms

Wayland Mom (of adolescents)
At MTM, I realize that we moms are all in the same boat. It's great to get parenting tips, especially from moms with similar aged kids as mine!

Natick Mom (13,11,9,2)
MTM has helped me to be the best mom for each of my unique children, to grow in my faith, and to connect with other moms.

Natick Mom (5,3)
Our whole family loves MTM, we look forward to it all week – I love the speakers and group time. My kids love the songs, lessons and time to play and my husband loves to hear what we all learned and how happy we are.

Natick Mom (4,1)
I started mid-term and absolutely love MTM! There's great leadership, wonderful guest speakers, awesome child care and small group discussion. What a packaged deal!

Weston Mom (5,2)
When I first moved to the area I didn't know anyone. With two kids that can be pretty lonely. I soon found MTM and now have a wonderful community of friends for both me and my kids.

Sudbury Mom (2)
MTM helps me connect with other moms without the distraction of your kids. Thank you for the fantastic children's program ministry at TCC.

Framingham Mom (11,2)
It is nice to know I am not alone!
